The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly caused hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

**Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.**

McPherson, Helena Ann Bachand CLHS 1973Deceased Unverified 7/19/55-10/08/11 ag 56,died Oct. 8 at Hospice of Northwest Ohio after courageously battling breast cancer. She was born in Highland Park, MI on July 19, 1955 to Macle and Ernest Bachand. On Dec. 24, 1975 she married her best friend and soul

mate Ronald E. McPherson. Helena was a passionate social worker at the Department of Human Services, where she devoted her life to helping families in need. She cherished time spent with family and friends and enjoyed reading, knitting, fitness, and volunteering for Susan G. Komen for the Cure. Many people described her as being the nicest person they had ever met. She is survived by her husband Ron, son Joshua, daughter-in-law Mindy, daughter Rebekah, and son-in-law Bret Ingraham. Helena was preceded in death by her parents and her brother Arthur ("Bucky"). Just like she lived, Helena wanted a celebration in place of a standard funeral. A casual "celebration of life" will be held at the Ward Pavilion at Wildwood Metropark in Toledo, OH on Sunday, Oct. 23 from noon to 4 p.m. A picnic lunch will be served. In lieu of flowers, loved ones are asked to make a memorial donation. Helena strongly supported Susan G. Komen of

Northwest Ohio but she would have wanted you to donate to a charity of your choice. Arrangements entrusted to Bedford Funeral Chapel 8300 Lewis Avenue, Temperance, MI. Online condolences may be shared at www.bedfordfuneralchapel.com.

without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.

Miller Arthur, Jr. Warren Council1971-1976, Warren Mayor Jan 1 1957 1959-1961As the guiding hand for a very distinguished Warren family, Arthur J. Miller left his mark all over the city before his early death in 1964 at the age of 42. Serving from 1949

as Justice of Peace, through the years of 1949-1956 as Supervisor of Warren Township and the shortened life of the Charter Township of Warren, he made his superb reputation as a governmental leader and master politician in a non-partisan environment. He built a team of supporters admired by all of his losing opponents, and was easily accessible by citizens with special problems. He effectively worked to get a bond issue passed that supported the building of a municipal building, DPW garage, fire stations and a state-of-the-art wastewater treatment plant. Mr. Miller was in the lead when actions were needed to install the huge storm drains required to alleviate road and basement flooding (using the County Drain Commission as the mechanism to involve other communities that also benefited to pay proportionate costs).

**Miller Mathias and Elizabeth** family. This family owned property on The "Centre" line which became Van Dyke. Around 1900 they opened a tavern/cafe. There are a few pictures of this tavern in my history books. They sold Tivoli beer which later became Altes Beer. For a while the tavern was also called the Tivoli Tavern. I am awaiting more information from the family. Miller Mathias and Josepf Miller donated two acres of land on the west side of the "Centre line" to start a Christian church.

Miller Park located at Masonic Road and Regal Drive was named for Arthur J. Miller who was one of the youngest officials in the history of Warren. He was first elected as Justice of the Peace in 1947 at the age of 26. In 1949 he was elected Supervisor of Warren. He was re-elected in 1951, 1953, 1955 and then became the new City of Warren's first Mayor in 1957. He was re-elected Mayor in 1959, and then moved up to Macomb County clerk in 1961. He served in this position until he died in 1963. He was only 43 years old. “His leadership was the primary factor in uniting Warren into a City.” According to Gerald Neil.

**Miller, Arthur J. Sr** The Arthur J. Miller park was named after him. The Warren Library dedicated Feb 1971 located first on Thirteen Mile at Cousino Drive and moved to the Warren Community Center on Arden was named after him.

**Miller, Arthur J. Sr.** Warren Justice 1947-48, Supervisor 1949-50, 1951, 1953-54, 1955-56 Also from the old timers I have talked to they all say Art Miller was a fine mayor. Warren Mayor Jan 1 1957 1959-1961 As the guiding hand for a very distinguished Warren family, Arthur J. Miller left his mark all over the city before his early death in 1964 at the age of 42. Serving from 1949 as Justice of Peace, through the years of 1949-1956 as Supervisor of Warren Township and the shortened life of the Charter Township of Warren, he made his superb reputation as a gov-

ernmental leader and master politician in a non-partisan environment. He built a team of supporters admired by all of his losing opponents, and was easily accessible by citizens with special problems. He effectively worked to get a bond issue passed that supported the building of a municipal building, DPW garage, fire stations and a state-of-the-art waste water treatment plant. Mr. Miller was in the lead when actions were needed to install the huge storm drains required to alleviate road and basement flooding (using the County Drain Commission as the mechanism to involve other communities that also benefited to pay proportionate costs). It is generally agreed that his greatest accomplishments were related to how he guided the growth of the township into its birth as Macomb County's number one city. He took risks in urging that a charter township be formed and worked hard to make it happen while serving as supervisor. This

change enabled Warren to lay the groundwork for transition to a municipality by organizing the basic infrastructure (both personnel wise and in building and utilities) to support industrial expansion and residential development. The Mayor was able to maintain good relations with Council to do these things, and he made certain that competent department heads in his administration were in place to make things happen when required. Art became Macomb County Clerk and he died still holding that office in 1964 at the age of 42. Paraphrased from Gerald Neil's Diary of a Politician. Fred Gemmill Quotes Gerald Neil in our Warren Historical 2006 recognition booklet “It just might have been that Warren would have prospered as it did had there been no Art Miller, but I'll never believe that. He not only led us out of the mud of the 1940s, he named the goals we should aim for and convinced enough leaders so that his dreams were carried on

long after he died.: And those dreams are still being realized to this day! (Fred Gemmill.)

In the 1970's it was moved across from the Bunert farm and later to the historic park along the Red Run Creek just east of Mound. A few years later vagrants or vandals set it on fire. Moravian Christian Indians had built by 1786 the first inland road in Michigan in order to carry their wheat to the mill on Tremble Creek. It ran 23 and one half miles from what is now Southwest Mt. Clemens along the south branch of the Clinton River, along Red Run, then heading south along Bear Creek down what is now Sherwood, then Southeast along Connor which was along Tremble's Creek now Connor's Creek to Tremble's mill. It was at the point where ten mile road crossed this old trail road that Kunrod’s corners was established which eventually lead to the creation of Center Line.

**Mueffels Henry Father** was assigned to St Clement church in 1858 through probably 1868. At that time the parish extended from Woodward to Jefferson and from Eight Mile to Fourteen Mile. But the closest Catholic church was actually Ascension at Gratiot and six Mile Road. The record keepers one of which may have been him did not particularly strive to keep records in

a clear readable form. When I transcribed the St Clement records many years ago it was not uncommon to have to spend many minutes trying to decipher names. They were particularly negligent in making the first letter of the name readable.

Murray, Marj City of Center Line Public Library Interim Director. Here is her autobiography: Marjorie Harriet 'Marnie' Grinols was born at Providence Hospital in Detroit on January 28, 1938 to Harold Bruce Grinols and Barbara Mills, who were also born in Detroit. She attended public and Catholic schools in Detroit and graduated from St. Ladislaus High School in Hamtramck in 1955 at the age of 17, where she was known as

Margie. She married Arthur George Barrington in 1956 and they had 5 children: Donna, John, Paul and Pete (twins) and Kelly. They divorced, and Arthur died at age 31 in Detroit in 1965. By then she had already married Robert Paul Martuza in 1962 and they had 3 daughters: Julie, Christine and Brenda. The Viet Nam War had affected the family greatly, since Bob and two of her brothers were all there at the same time, and they divorced in 1976. She and Paul Robert Murray married at Greenfield Village in 1977 and remained life partners until his unexpected death in March of 2019. They had two daughters, Heather and Alison, and had moved to Center Line when Heather was 4 months old in 1978. Daughter Julie Martuza died of inoperable cervical cancer at the age of 25 in 1988; son Paul Barrington died of brain cancer in 2013. He was a master mechanic at Rinke's in Center Line for 25 years. Son John Barrington died suddenly in 2017.

So six daughters and one son survive. Marj joined the Rackham Symphony Choir and sang with them from 1974 till 1994. In 1998 she joined the Grinnell Family Association of America – remember the local music stores in Detroit, Grinnell Brothers – as newsletter editor for 20 years and is currently a vice-president and genealogy chair of the non-profit organization that traces their ancestral line back to Mathew Greenell, who settled in Newport County, RI in the 1630s. It took 8 years to achieve an associate's degree at Macomb Community College in 1991, taking one or two classes at a time, and she was now known as Marj (spelling change reflected spelling of her grandmother's name, who was also Marjorie). Working at the Book Store on campus at MCC for several years brought her to join the Friends of the Center Line Library when Anne Cross was the director. Anne hand-picked her employees and Marj was asked to join the

staff. She worked at the library for 20 years, retiring officially in 2011, but continuing to work part-time at the circulation desk until the opportunity came about to be part of the county- wide Cooperative Library Board. This required a choice: stay an employee or serve at the county level w th like-minded people who valued libraries and governed policies. The 3-year stint at the county was completed in 2019. In 2018 Marj had retired as President of the Friends after serving for 25 years, the only charter member still active, but remains a member of the Center Line Library Commission. Daughter Heather Hames was the director of the library and recreation department for 8 years. So it was that Marj and Heather became part of the Historical Society of Center Line. History and genealogy were Marj's interests and Heather was in a perfect position to help organize the Society, which met at the library once a month to plan ways to preserve

information about Center Line's people, the history of its older homes, and share it with the community. Center Line has many stories to tell…

Murthum family was a pioneer family who settled in the area of the Warren Village. Murthum Street was named after the Murthim family.

Murthum The House located at 5820 Murthum was built in 1895. This is a combination Greek Revival and Queen Anne

(noted for gables, dental moldings, fish scale shingles and fret-work) design. Several acres of land were used for the William Murthim School which was also known as Victory School.
